## Libations & Delicacies

Bar Italia in Uxbridge is a vibrant bar & restaurant specialising in house-infused spirits & cocktails crafted and created by a team of mixologists.

The Infusions are created in a lab kitchen and go through a variety of processes which allows the alcohol to infuse with various botanicals, plants, fruits & spices thereby creating a unique flavour. Each infusion is bespoke to Bar Italia and each cocktail unique in it's ingredients.

Bar Italia in Uxbridge also serves a wide range of craft beer which is regularly rotated to offer our clientele the opportunity to taste the latest varieties.

With the latest cellar technology and beer taps we ensure that all of our draught is poured exactly as the brewer intends ensuring the end product is 100% authentic. Including our own Bar Italia lager brew made in our cellar in Marylebone.

For wine lovers we have grape varieties to suit every palate and a list that caters for everyone.

To top it all off and soak up some of that liquor we make some fantastic food, including authentic artisan stone baked pizzas, available with gluten free bases.
